“ My thoughts and prayers go out to all family members. I worked with Aaron back in 2002 and all that he talked about was his son Elijah. Elijah you were the joy of your fathers life. Always know that God will comfort you in times of sorrow and loneliness. It was a blessing to know Aaron and he will truly be missed by many.

“ I'll rember the beautiful heart of Aaron my precious baby brother & listening to him share his great love for Elijah. His gentle way w/Nicole & Alana during their very tender ages & the joy & laughter from them & their Uncle Aaron as he played w/them. The deep love & sadness as he watched Alana sleeping in 2002 as his heart was breaking for his precious baby boy Elijah, it touched my soul as I quietly watched from the doorway. He loved "his people", as he referred to Elijah, Nicole & Alana. These are the one's he always held in the highest regard as he shared w/Mark & me making us promise to ensue they knew of his love for them. I feel confident there were other children he loved as well. As for the rest of us...sometimes as the wind blows, I believe we understand. He loved animals & being outside just like our Father. He loved being on our Father's land, working it w/his hands & wished to preserve it for his precious Elijah & his future.

Aaron was a hard working, honorable staff member of my husband's firm. I'm so blessed & grateful to have had the opportunity to witness first hand his work ethic, integrity & complete honesty.

I'll treasure & celebrate the great gift of our laughter as children rolling in the grass at the old rock house, running through the woods as far as we could run, catching bees & lightly bugs and the wonderful times at the pool.

,roller skating, riding our bikes & the beach boardwalks in California w/Tina & Tami & the great memories of teaming & bickering w/eachother & now...even the numerous 3 am calls!

Aaron was a gift & blessing. God's gift to me as my precious baby brother with an untouchable place in my heart that only he & God know & understand.

I pray blessings for everyone.

Our Father how beautiful and awesome is Your love that you would bless us with the free gift of Christ Jesus and that He covers all who accept that He is the only way and our sins are forgiven by His

perfect blood.

*Thank you Father for You're holy written word in Ephesians 1:3-2:
Amen*
