“ I remember everytime Ben and Evan Eary would be hanging out they would make up a song and beats. They would get so into it they would start dancing all crazy. It was so funny! I'll never forget Ben's laugh and smile, oh and that hilarious dance move he would do.

“ I remember moving Evan in with Ben Glenn from Wynne to this small white house by the train tracks with in Parsons, KS. After we got Evans things moved in Evan gave us a tour of the house. We walked into Bens room and it was all camouflaged out with a bow hanging from the ceiling with everything in perfect order. Ben showed up before we left and we were introduced to the most polite handsome well mannered young man and I thought for sure this arrangement with these young men will be interesting. Needless to say that was the 1st houses of many these guys shared for the following 7years. To know Ben was to love Ben.

“ Ben was one of the first people I met when I moved to Wynne in the 6th grade. I can still remember that sweet smiling boy! Through the years at Wynne we still remained friends. Ben was someone everybody could be friends with and I am so glad I got the chance to meet such a sweet little boy and was able to watch him grow into a great athlete and man! I'm constantly praying for the Glenn's.

“ Ben has always been such a sweet boy and grew into a very sweet man. I got to know the Glenn family when Ben was around 3 or 4 years old. He had the most pleasant and cute smile then and always did. He was a very special little boy. My whole family sort of adopted all three kids as if they were really ours. This is heartbreaking, but God has a new Angel in Heaven with him now. Love the family.
