“ *My cousin, my friend. We worked together for a time and road to work and home together. Our wives were together a lot also. Our children played together. My best memories were fishing. We would take our lunch hour at the creek fishing, come home, eat dinner, and go fishing again! I will miss you and you will live in my heart until I see you again. Love, Hambone*

“ If you a measure the worth of a man by his children then Wayne is a great man. Diane and Wayne have raised three kind, capable, and caring children. You cannot ask for more. His children will be his reflection on Earth.

Wayne was my brother, my twin, there is no more to say the bond is unbreakable.
