“Linda I am so sorry that you have lost another of the people that you love so much so soon. Bruce would want you to take care of yourself and remember the great times the two of you had together and how wonderful you took care of him in his last months. Linda, He made you promise to try not to be sad for along time but remember playing and cheating him at dominoes. He loved to see you laugh.

Perry, Carla and Family, we are so sorry for the loss of your father and grandfather. He was a sweet man when I got to know him. He talked about his family with much love and was very proud of his family and all they had achieved in their lives. He suffered so much in the last months of his life and now that is over and he is at peace. May God Bless and give peace to all who love Bruce.
