So sorry to hear about the loss of Dale. He was my cousin but more importantly he was a friend. We were very close when we were very young and got separated by distance, I always knew that he was my friend and I'm sure he felt the same---a great lose for all.

Phyllis sorry for your loss, you are in my thoughts and prayers and have been for quite a while, may God give you the strength and courage to do what you have to do and the inner peace in knowing he is in heaven. You never know him, L.J. and Dan may be having the time of their life and he is not in pain anymore. There will always be a void that no one can fill but you will have a lot of good memories to fall back on. Love you
