“ No words I write could ever say
how sad and empty I feel today.
The Angels came for you
much sooner than your family planned.
I will brave the bitter grief that comes
and I will try my best to understand.
Dalton Ray why did you have to go away?
Why wasn't it right for you to stay?
In my heart Dalton you will always be.
I love you dearly and I know you will watch over me.
What we are all suffering seems so unfair
but, one thing is for certain
my love for you will always be there.
Dalton my Nephew you always will be
the most important part of my hearts memory.
I'll cherish the moments I held you in my arms
and I'm sure that if you had of stayed longer
you would have graced me with your charms.
A thousand words will not bring you back,
I know because I have tried.
Neither will a thousand tears,
I know because I've cried.
Now you are in Heaven
with the Angels up above.
They will take our place for now
and they will give you all their love.
So go and rest in peace now
my little Nephew so dear
for all my love and memories.
I will hold forever near!
I Love you From Aunt Barb and Uncle Mike Collett

“ It has been said, 'time heals all wounds.' I do not agree. The wounds remain. In time, the mind, protecting its sanity, covers them with scar tissue and the pain lessens. But it is never gone.
