“ Thank you to all family and friends who have reached out to me with their love and support. The one silver lining is that I discovered family I hadn't talk to in ages. I may not be at the service in person but my heart and thoughts are of only my dad at this time. Words cannot describe my pain from the moment we found out he was sick to finding out he had passed. I am thankful he is no longer suffering but I am selfish enough to wish I had some one-on-one time with him to share my heart. Please lift Betty and Brenda Staggs up in your prayers as they are in need of your love and support.
