“ Some lies were told about you dad, but you can rest assure tht I will NEVER let tht person spread those lies. You were a good man. She should be ashamed of herself for the lies she has told. I will make sure she is exposed as the liar she is. May you rest in peace.

“ My dad died 4 days before his 71st bday. ONLY 3 of his children spent their lives knowing him. Thanks to this page, I found my sister Sally. I do wish she could have known him too. He was a hard worker. Taught me, Riley & Kathryn how to build houses. I loved his clocks that he made too. He loved animals...they just came into his house as they pleased. He wasnt a perfect dad but he was who he was & made no excuses for it. Was an honest man. Got to respect that.
