“ Kay was another classmate we have lost prematurely. What I remember about Kay was her speed. My sister was in track, so I frequently went to track meets and I was always amazed at how fast Kay could run. So sorry for your loss Amonds and Thompkins families.

“ *The Broken Chain*

*We little knew that morning that God was going to call your name,
In life we loved you dearly,in death we do the same.
It broke our hearts to lose you, you did not go alone.
For part of us went with you, the day God called you home.
You left us peaceful memories, your love is still our guide,
And though we cannot see you, you are always at our side.
Our family chain is broken, and nothing seems the same,
But as God calls us one by one, the chain will link again.*
