“ *I knew her as Memaw. That was all I ever knew her as. I wish I could have seen her before she passed. We were supposed to go see her but we got sick. I always loved getting to go see her and spend time with her. I don't have many memories but the ones I have are wonderful. " She always had cold hands but had a warm heart." She was wonderful... I never knew what I would do with out her, And I still don't know.*
