“ *Christy, I have so many wonderful memories of Edmond. He was always fun to be around, whether it was at a softball game, a trip to the lake or enjoying a game of cards. He loved to have people around and always made our times fun. He had many nicknames for me and my friends down through the years but they were terms of endearment and always made me smile. He and Patsy were two of my favorite people and I miss them greatly. I know how much they loved you and the grandchildren and how proud they were of you. I so wished I could have been there. You continue to be in my prayers.*

“ *As a child, I remember Mr. Hawkins as a kind man that ran the bus shop. He was always good to the kids and cared for us and our safety. I can also remember how he adored his beautiful daughter Christy and loved to watch her ride horses. He was always there to support her in her activities. What a wonderful way to be remembered....a kind man who loved being a Daddy. Holding the Hawkins family up in prayers today and in the days to come. God bless you friends, Angela English Hunsucker*

“ My thoughts and prayers are with Edmond's daughter and grandchildren. Edmond and Patsy were my second family while I attended high school. I spent many a night with them. They went to the Hon church, he as a deacon and she as the pianist and after the services they ate dinner with my family and then we visited her aunt, visited parks and went swimming. What wonderful memories. May God bring them together again in heaven. My heart hurts.

“Christy and family, I am so sorry to hear about your dad. He was a good, hardworking man that left an impression on anyone he came in contact with. I miss listening to his stories. He always had a better and faster way to do just about everything, but always made you try and do it your way first before sharing his knowledge. This world will be a little darker without him in it.
