“ it has been nearly 7 months and i am just now getting the courage to do this. i love you so much. it isnt fair that you were taken away so young without a chance to say goodbye. it is fair that i have got a wonderful angel now to watch over me. of course your missed, but i think about you daily and you know this. one day i will find out the truth on what happened that night. i swear i wont give up. until we walk together again ill keep u in my thoughts and dreams. i love you
