“ We are so very sorry for your loss. Marie was such a wonderful nurse...we always knew when we went to Dr. Wright that we would receive the best care. She was a strong woman and had so much talent in all that she did. I remember seeing her name at the Scott County Fair. We know the loss hurts...but we always try to look at what we were left with...great memories.

“ I just loved Marie. She was always so kind. Jean, Kenneth and Leonard Ed has many stories of Jeff and Marie. All of them included how nice she was to them and Kenneth said she always had some kind of sweets to feed them. Marie loved her kids and grand kids so much. She was always talking about them at church and bragging on them. Marie was very special. She would have been so proud of her family today. I was thinking when they were eating dinner today, what a very nice looking family she has. I know she was looking down smiling being very pleased! Rest in peace-we will all miss you Marie .

“ It was in 1963 when I was 3 1/2 years old that my dad and mom moved the family from Roswell, NM to Waldron. We only lived there for 1 1/2 years before moving back to Roswell. In that time I got to know my Aunt Marie, Uncle Jeff, and cousins, Kay, Carolyn, and Doyle. 50 years later the memory of that time still resonates within me. Anytime we would visit Aunt Marie would have a fresh blackberry cobbler waiting for me, knowing my fondness for that particular dessert. In the later years Aunt Marie and I would talk occasionally on the phone. This was always a welcome treat. She would update me on the goings on in Waldron and the family. She would also give me bits of advice from her many years as a nurse which were always welcome and, hopefully, as I have taken care of patients, I have used her wisdom wisely. I will miss my Aunt, and will cherish her memory for the remainder of my days. Bob Rader

“ Carolyn...you and your family are in my prayers. I always admired Marie and always enjoyed hearing what "project" she had going. When she brought us her wonderful peanut butter cookies to the hospital, she always had something to tell us about that she had made or was going to make. We will miss seeing her here, but it's nice to know that we will see her again someday in her new Heavenly home. May God's Peace be with you.

“ It was my deep privilege and blessing to have known Ms. Marie over these past 10 years or so. Always was a very caring person, who loved her family dearly and her country. Was a tremendous blessing to my own mother during her illness prior to her going home to the Lord. I will always be grateful for how much it meant to my mother to hear from Marie and read her kind cards. Her jellies and jams were the best. Pastor John Elmore

“ My prayers are with Marie's family. Marie had a deep appreciation for soldiers and veterans. She always found ways to recognize them and do little things for them. She encouraged me many times with her kind and thoughtful gestures.

“ Aunt Marie was always fun.. From the time Doyle and I spanked her bottom when she had her feet in the air (we were like 8 and 10) to the last time I saw her this year in January, when my wife (Teri) and I stopped in at the nursing home on our way back to Roswell. Will never forget her or all the things she enjoyed doing, quilting, canning and just lots of things we all should probably be doing if we didn't feel too busy!! Will miss ya!
