We together with our Mom, Ethel Horn wanted to acknowledge the death and memorial service for Eupha Thomason. We got to know Eupha after she married Ule Horn. We always had fun when Eupha would stop by to check on my parents especially after Ule passed away. We appreciated her friendship. We spent happy times singing old Gospel hymns and songs when she would come by! We wish to extend to you and your family, Scott, a message of sympathy and caring. We know this is difficult but we trust that you have been gathering memories to store all through these years. Now you can recall them and smile at all the ways Eupha left for you! She was active and full of life and fully devoted to her family. We pray that she will rest in peace. In Christian Love, Ethel Horn and family (Ruth, Mike, Phillip & Trish).

“ We hold in our hearts many precious memories of this legendary lady!!! She loved her family fiercely and loved life with the same great passion. I know God's heavenly choir is singing ever more sweetly with her in the front row belting out her old favorite country hymns! I will never forget the hilarious marriage advice she gave me and Todd or the bright pink kisses we would all get when she came into the station. She had a life well lived...and she was certainly well loved by all who knew her.

*We love you all, Scott, Regina, Katy, Maegan... our dearest friends.

“ We always enjoyed seeing Ms. Eupha at church & hearing her sing. She will surely be missed, but what a comfort to know she is now singing in the presence of our Almighty Lord & Savior. We will be praying for all of the family during this great loss.

“ *I never met her that she didn't have that ornery twinkle in her eye and a funny story! She was one of a kind, her own sassy self! -I know just how big a hole having someone in your life like this leaves---I also know if you talk about them like they are just around the corner waiting and listening, it makes it a little less painful! Hugs to all!*
