“ *Many years ago I cared for Eva's mama when she and Milton made trips out of town for Milton's medical. I loved Eva as much as I loved caring for her mama. I talked to her last in November and am very sorry to hear that she has passed. She was a delight to talk to and so much fun. To Mac McNease, she thought the world of you. I am sorry to all that loved her for their loss.*

“ *Eva was such a sweetheart to us. She loved Nicky and I would giggle when she would call for him to fix this and that and would love just to talk about all the family and when the boys was little. She was such a blessing to us and those moments will always be treasured...May the Lord comfort each of you and our greatest love goes to each one of you. We love you guys*
