“ *Some of my earliest and most special memories of Waldron are of my buddy Brad, Deb and Big Harley on the mountain. Harley told me one time (when I was about 14) that he needed a "boss" for Brad....and I guess I liked that role because Brad and I have been good friends for almost three decades. I love the McCurry Family so much and I lift you all up in prayer. Harley will be missed and honored by so many. He was a fine man.*

“ Imogene, Deb and family,
I can't imagine the feeling of loss you have right now. Just lean on the Lord for He gives us all strength when we need it. I know Harley was a good son, a better husband and a wonderful Grandfather for I was lucky to have known him in those aspects as well as being my nephew.
