“ Charlotte, David and family, I was so saddened to hear about Joyce. She and I have worked together, in the past. She was a very intelligent lady, and enjoyed life. I will always remember the fun and laughter we shared. I also know that she is now in her Heavenly home, resting in peace, with no pain. I loved this lady and we will all miss her.

“ My grandmother/mother /role model.No one could ever hold a candle to this woman's role in my life. My grandparents believed in me even when I couldn't in myself,they loved me when I was unlovable and they taught me the meaning of family/true love. My heart will never be whole again,because part of it now resides in heaven. Granny Joyce and Pa Bill are now reunited the way they should be. I love you grandma more then you can imagine and will miss you beyond belief every moment your gone.
