“ Larry was one of the funniest characters I have ever met! I was in love with his voice! I could listen to him by the hour to his rich tones and his accents he could mimic perfectly. My children considered him like a grandfather! I didn't find out he had passed away until so long afterward that it broke all of our hearts. Just knowing he is not on this Earth, leaves a huge void. He helped everyone he could, laughed all of the time, and loved his family and friends. You are in our prayers, Betty.
