“ *She was my best friend since 8th grade. She lived to the fullest, her smile would brighten up your day, she made goofy faces when you were sad and snorted when she laughed too hard which would make her laugh harder, she was there for me through my brightest days and achievements, and my darkest hour. I will always love her and my soul feels empty without her. She drew well and her poetry was so beautiful, she wasn't afraid to speak her mind, and she was the worlds greatest mother. she tried her hardest everyday at everything she has ever done, to know her was to love her. My favorite thing about her, was that she lived without regrets. she'd say "why regret it? life is short, live it to the fullest and drive it like it's a rental, every moment is stolen, we aren't guaranteed tomorrow." I now know just how true it is. I miss her so much.*

“Lea was such a unique individual with so much energy and she never failed to make me laugh. Every time I saw her she greeted me with a smile and always had a crazy story to tell me. I think I speak on behalf of the entire Waldron high school class of 2015 when I say that she will be missed and that none of us will ever forget her. To miss Betty and Roger I'm truly sorry for your loss and my thoughts and prayers are with you, her son and her brother.

“I always enjoyed hearing Lea sing "Amazing Grace" at Boles Free Will Baptist Church on Wednesday nights. When she lived at Needmore, she was always outside on the porch, watching Slayde in his baby swing, with a big 'ol grin on her face. You could see the love she had for him! Praying for your family!
