“ We love you so very much and always will. Your smiles and laughter will never be forgotten. You put the true meaning of grandmother and great-grandmother at work in our lives. I know that your strength and kindness will live in me granny, and my daughter Faith and son Arian. You were and always will be the heart and soul of our family. You raised me most of my life. And i can only hope to be as full of love, kindness, and strength as you were. We love you Granny and we know how happy you were when you heard those Angels singing for you to come home. You lived a very fulfilled life and now you have peace and harmony within the arms of the Lord. We love you and will miss you greatly.
