“Debbie and Meegan,
Can't believe she is gone. I know you will always miss her very much. I am thankful that I got to spend so much time with her. I loved it when sometimes after I made her a pie, I would ask her this question...Margaret, would you like a piece of pie? She would say, Yea! What kind? I would say chocolate, or pecan-it didn't matter. She would always say, "You bet I want a piece of pie! Did you make it?" She always made me laugh.
Please know that I am thinking of you both.
Always,
Jo Ann

“Debbie and Meeegan,
I am so sorry to hear about your Mom. Margaret was a special person, and our families were so close when we were growing up. Mom was so happy to hear from Margaret several years ago, and she will be so sad to hear of this news. Heaven gained another angel and Ben and her will have eternal peace. God Bless.

“ Meegan & Debbie, Your Mother was always such a ray of sunshine to any one who ever met her. I loved her so much! I thanked her on Sunday & other days for having such wonderful daughters that have been my friends for so many years. I am so fortunate to have had her in my life too. Heaven is now a much brighter place with one more angel named Margaret up there. I know she will be watching over you two. Thank you both for sharing your Mother with all of us. We will all miss her. Love you both, Beth
