“ Mark was my brother-in-law for over 20 years so I have lots of great memories! He was always funny, he had a great sarcastic sense of humor. But the MOST important memory to convey is that he LOVED his children more than anything! It is his greatest legacy....they are both good kids, they are hard working and most importantly they are faithful in their walk with God, they know of his promises and they will see their Dad again someday

Didn't know Mark personally, but if he was half the man his brother Ed is, he was a mighty fine fella.

“ 2 Corinthians 5:6-8 says to be absent from the body is to be present in the spirit. I know Mark is with our Lord God Almighty in Heaven. I have so many good memories from working with Mark for such a long time. We have shared many laugh sessions with each other and with other co-workers!! Mark loved his family!! He treasured his children! Alec and Erin, you are the light that shown in your dad when he spoke of you. You two are his greatest gifts to the world!! He loved you two more than life!! I am going to miss your dad so much. But I take comfort in knowing that he is with his Lord!! May God bring you peace and comfort in the days, weeks, and months ahead.
