“ My Great Uncle Max was a sweet heart. He gave awesome hugs! I adore all of my Granny Belle's siblings. They were/are an amazing group of folks. Can't find better anywhere. My husband has never been much of a family oriented person but he was just so in awe of how my aunts and uncles and cousins accepted him into their lives. I took him to my Uncle Danny & Aunt Kathy's family reunion not long after he joined the Air Force. Uncle John, Max, Millard and Aunt Sis praised him for his service and commitment and just made him feel so welcome and loved. He, nor I will ever forget that. You don't run in to people like Uncle Max very often and when you do, you never forget them. Thus a person like him can never truly be gone because he will forever live on in our hearts and memories. Love you Uncle Max! I know your wings are beautiful and right now you're having a wonderful time with Nana, Papa and my Mama! :)

“ *Max was my first boyfriend. I was only three or four years old and he was grown. He would carry me around on his shoulders. I have loved this wonderful man all my life. The Smith kids were more like family than neighbors. He never changed and Lou made him so happy. I never saw him without a smile and a hug. Lou and family may God bless and keep you through the sad times without Max, but remember all the good and happy times you shared through the years and all the happiness he had with his family . We love you.*

“ I remember when we would go to AT we would take our gloves and a baseball to play catch. I was one of the few that was willing to play catch with Max.

Even with his belly getting in the way he would still burn my hand every time! Just a few of the fond memories of a man who I admired my whole life.
