“ I am so sorry about the loss of your Mother. I went to school with Melba from first through twelveth grade and she was a dear friend. Several former classmates met and spent a couple of days visiting last year and Melba was so much fun. We were looking forward to getting together again for our 50th reunion in September, we will all miss her sweet smile and quick wit. Our thoughts and prayers are with each of you.

“ I am so saddened at the loss of a very dear classmate. I feel so blessed that Melba came to Texas (over a year ago now) to spend time with several of our classmates. What a fun and lasting memory we will have of her. She had such a glow as she told us about her children and grandchildren. Missy--thank you so much for letting us know of her passing.
