“ *Milton was one of my first adult friends. He loved to laugh and he always made me laugh. He taught me how to fish (with rod & reel) and taught me about lures and reels and line. "Sparky" and I talked fishing a lot while he worked at dad's service station. A true friend who took time to take a young boy fishing. The memories of him and our interactions will be in my heart forever! Pam and I send our sincere condolences to Milton's entire family.* ”

Milton had tons of friends, he was always there for who should need him, his house was yours if you needed a place stay, his table was yours if you were hungry, if you were sad he was there. that was just what Milton sparks was, genrouse to the needed. milton was loved by all but to that one and only, mary he was hers and she was his, a dreame come true for both.*

“ *Dear Mary, Bubba, and Family,
My heart aches for you all in the loss of Milton. He always had a smile and was such a pleasant man to be around. He was the same every time you saw him, friendly and concerned if everyone in our family was okay. He was a genuine good man and he will certainly be missed. Just as God's word says..He had a place prepared for Milton, and no doubt a Special one. Our prayer for you now and in the days ahead is for God to wrap His arms around you and give you Peace. We Love You !*
