“ *Norma was truly a great lady. She volunteered for many years in the old Pine Wood nursing home in the gift shop and auxiliary, she also was a great volunteer in helping do the residents hair in our Waldron Nursing Center beauty shop as well as any of the activities that we needed assistance with. She was always willing to bring cheer to others and will be greatly missed by all who knew her. My thoughts and prayers are with all of you in the many sad days ahead.* ”

“ *Fulton, Norma, & Charlie have been my neighbors across the street my entire life. When I was a little boy I woke up in the middle of the night in an empty bed and thought I was alone and immediately got scared. I ran across the street to Norma's because they still had a TV on I guess. She answered the door and welcomed me in their house. Definitely confused about why the neighbor boy was knocking on her door in the middle of the night, she was kind and understanding. My parents had went to the end of City Lake Road to see the old restaurant on the corner of 71 and City Lake burning. I guess that's just something people do. I was always thankful to call the Self's my neighbors, and I know Norma will be dearly missed. I'll be praying for comfort in your time of loss. Heaven has gained a great neighbor, that anyone would be lucky to have.* ”

“ I am the middle female of the 7 children in the family. I stayed with Norma and family when James was born. She lived in the Houston area at that time. I will miss knowing she is no longer here on earth with us but know she is in such a better place now with her husband and her daughter.

*When I was a kid and the family still got together on the holidays. After the meals Norma and her sisters would sit around the table and talk about their childhood, growing up, and the things they remembered from those times. All of them joking and laughing over it all. If you were lucky you got to sit at the table and listen to those stories. I'll miss her.*

“ I'm one of Norma's sisters. There were six girls and one boy in our family. Norma was the next to the oldest of the seven. She was 11 years old when I was born. After she got grown and married some summers I would get to visit her for a couple of weeks. I loved that. Growing up and as an adult myself I was always close to her. When I became a young adult our age difference just melted away. Not only was she a sister, she was a wonderful friend. She will be missed so much but she is in an amazing place now and some day I will see her again.
