“ So sorry to hear that Pat has passed away. She will be missed. I can hear her still, calling up and asking "what you doing?" She loved to talk about her family in Louisiana and in Oklahoma. I bet her little dog is missing her too. prayers for her family, Vickie Richmond

“ *Such a sweet precious lady! She was our customer for many years and a friend. She will be missed! Patsy always recognized the voice of the person answering the phone and was interested in our families. She made each one of us feel special! We sent her a MediSav t-shirt and she was truly a part of our family then! We loved Patsy! She touched all of us in one way or another and our thoughts and prayers are with you, her family.*
