“ I first met Paulette in McAlester, OK though
work. What a wonderful gift it was to meet
such a beautiful woman, she was so full of
life. As my travels took me to other medical
jobs Paulette always seemed to pop up and
what a blessing. She always spoke of the love she had for her
family and made me also feel like I was a part of it. It has been an
honor to call Paulette my friend. I know she will make a beautiful
angel.

Paulette was so much fun and I looked forward to seeing her every
Waldron School reunion. She was like a sparkling diamond and we
had many laughs together. Her brother, James Lee was in my
graduating class. I was one of her Facebook friends and loved the
pictures of her and her grandchildren. She was so proud of them.
May the Lord bless your families at this time and know Paulette is
making the angels laugh.*

“ Thoughts and prayers for the family. I just loved Paulette, she was a real sweetie. I met her when I worked at the hospital, I liked her eye glasses so much that I got some like them. One year I shared my Wild Sweet William flowers with her to plant in her flower bed. She always had that wonderful smile. She will be so missed by so many.
