“ Sheri, I'm just now finding out this evening you have stepped into eternity 12-1-2013 :(I remember how excited we both were when after 27 years we had reconnected & found each on facebook. We were both not feeling well last time we talked but we talked about reuniting someday. I love you my BFF/ sweet sister of my heart. We met in the 9th grade or 10th at Porterville High. Some of my favorite memories in High School were the weekend sleepovers we had at your house, swimming in your pool & dancing in your huge bedroom. Your smile always made my heart leap with joy. You were beautiful from the inside out & i loved you with all my heart. You were a inspiration to so many. Those who never knew you missed out on a very special blessing. My life has been blessed cuz you were part of it. I have been missing you & keeping you in my prayers & now I know you have no more pain,suffering, illness & you are healed. You were taken too soon & you are deeply missed. Til we meet again in eternity my precious sweet beautiful beloved BFF. xo <3 Love your Bff. Vena P.S I'm praying for all of you Sherri's beloved family & friends.My deepest condolences go out to you all. <3

“ Sheri, Will always be to me a class act! Even though we always teased each other about our respective military branches, we were there for one another when we could be. She will be missed and lives on in our memories!

“ Sheri had a real zest for life, a great laugh, and a wonderful sense of humor. Not to mention a strong craving for Taco Bell when she was pregnant! My heart goes out to her children, who she loved so very much. She was a really neat lady. The world is a sadder place without Sheri in it.

“ When I read that Sheri has passed away my heart just sank! I was excited to reconnect with Sheri on Facebook and looked forward to her posts. I remember Sheri as someone who never had a bad thing to say about anyone. She was always nice and always had a smile on her face. I'm blessed and grateful to have known her. Tracie (Hyder) Rossi

“ To Sheri's family,
Sheri was a very special friend to me in high school, we used to eat lunch together and just hang around. We reconnected about a year ago on facebook and found out we had even more in common than either of us knew. We were both diagnosed with Multiple Sclerosis one year apart. She was such a comfort to me, always giving me hope and letting me know just to take one day at a time and be grateful for the "good days". She was always there with encouragement and said she was just a phone call away. We hoped to see each other when she came out to California, unfortunately it did not happen. So I cherish our phone conversations and I can still hear her voice and her laugh. I miss her so much already. She lived an incredible life and I thank her for relating it with me. I'm glad she was part of mine, she came into my life just when I needed her most. I miss you Sheri. May I see you again someday.
Your forever friend,
Cindy

“ This web site doesn't seem to want to accept the stories so I am just going to write it here....My sister Sheri and I were raised by my mother Wilma Jean and my father Gerald. They raised Terri, Sheri, Cari, and Jerry. Why they named us in rhyme escapes me because when ever someone was in trouble we all came running because our names sounded the same. Anyways... she was older than me by 10 months and my mother dressed us alike. Most people thought of us as twins. I was always the fatter one and Sheri the petite one. Sheri always had a smile and never a bad word. She was kind and loving. When I was in the 4th grade and she in the 5th, she was bullied by her peers for wearing glasses and of course for being so thin. They called her a spider monkey. I had a metal lunchbox...HR Puffentuff..Lidsville...I used this lunchbox to ward off any threats towards my sister...and was quite succesful at intimidating kids much older than myself. I carried this attitude with me all my life and I believe my sister always believed I was the stronger...but I am not. I have so many memories of growing up with Sheri. We did each others makeup, wore each others clothes (she really disliked this because I would stretch her pants out) drove each other crazy, compared notes on boys..and then men. I always wanted to save her from any darkness in her life. It was hard for me when she moved out of California...I could not reach her and this was very hard. If anyone really knew her they would understand that she knew both the darkness of life as well as the light. I always prayed she would be in the light. It was not an easy life for her but I will never forget how she went through it with a smile and a laugh. I know she is in a safer, easier, graceful place. Sheri left her older sister Terri who looked out for us, and her younger brother Jerry who taught us all patience. I am so gratefull for all of my sibilings for makeing me who I am today. You taught me kindness, tolerance, patience, and grace. You made me who I am today and I thank you. I am so gratefull for finally being able to make a hat Sheri would wear. I love you sis. I hope that her children will know that they may always call on me for support. I am holding you all in my arms with great love.

“*My deepest condolences to Sheri's family. I worked with Sheri for many years at the prison in Delano, Ca. Sheri always spoken very lovingly of her children and her family. Sheri had the biggest heart and would do anything for someone in need. Heaven has gained a beautiful "red headed" sassy angel. Rest in Peace my friend.*
