I'm sure none of you remember me because you all moved so very far away after losing your Father....But, to me, there is a bond that comes natural because we are Family...  
And, as you leaving this world Tracy to be with Jesus, look down and FEEL all the LOVE and say hi to everyone that has gone before you and help to keep directing our paths in this world til we meet again at the Family Reunion in Heaven with Jesus...Peace be with your loved ones that will be missing daily and may God fill the void that you have left...In Jesus Name, Amen ... “ *I have so many fond memories of my cousin Tracy. She was so much fun to be around. We spent countless nights on kitchen duty after a big family dinner. Both of us liked to pick at the leftovers and we would always get into trouble for taking so long. I know she will be missed. I am glad she is no longer suffering.*
