“ I couldn't ask for a better BFF. I have so many fond memories of my time with Tracy. I don't think I ever laughed so much and so hard with anyone as I did with Tracy. She gave so much of herself to others and put her own needs on the back burner. Tracy touched so many lives that she will be greatly missed. Rest now bestie, and put yourself first now, you deserve it. Love ya XOXOXO

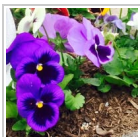

Your BFF, Tam

“ Tracy Scott was the best Aunt anyone could ask for. She was always there for me growing up and even as an adult. She was the strongest person I knew and she always put other peoples needs before her own. She is the bravest woman I know and I feel so blessed to be apart of her life. I love you aunt Tracy. Always.

“ Tracy was a friend that was a true caregiver, whether it was at work or home. I know her marriage to James was the best thing in her life and her children and grandchildren were her joy. She had a great sense of humor and most of my memories of Tracy involve laughing. Very good memories. :)

I had the privilege of working with Tracy for several years at BLCC and am saddened by her passing. She was a wonderful person who gave a lot of love and was loved by those who knew her. James and family, you are in my prayers! Tracy, I know you will be missed! Susan Kolmer Sprague
