“Virgie will be missed by all of us here at Waldron Nursing Center. She was quiet a unique lady. Loved to attend the activities, especially the musical events when Roger Sparks and his group came. She always requested "Walk across Texas" which was one of her favorites that they sang. She was the bright spot to many of our staff and residents. Our deepest sympathy goes to her family, Son- Harry Lynn and niece, Virginia Simpson, who was so faithful to her over the years she has been with us. Christine Lees LSW/ADC

“Vergie will be missed. I remember her taking Mom, me and Debbie to Fort Smith shopping. Those trips were fun. We'd stop at the A & W Rootbeer Drive-in to eat. Mom and Dad played Rook with them every Saturday night when I was growing up. Lots of good memories of her and V. W. and Harry Lynn.
