“ Please accept our most sincere sympathy during this difficult time. We are friends of Robert and Tina Johnson and have known them for a few years. We never met Wayne, but we know he was a man of character and kindness because of what we have heard about him from Robert and Tina. We know Wayne was a good father and grandfather and was loved very much by his family. If you have love, you have everything that truly matters. Wayne Johnson definitely had love. He will live on in the hearts and memories of those who knew him. Our thoughts and prayers are with Wayne's family and friends.
