“ My dearest Aunt Zola, If you only knew how much you really mean to me. You have been one of the most inspirational people I have ever met. What an honor it is to have gotten to know you over the years. You have always been there for me through the years if nothing else but to "listen". My heart aches so , that sometimes I just don't know what to do, but then I ask "what would Aunt Zola tell me", and I know you would say to go on my child, and show the world what an inspiration you can be!".....And so, that is just my plans, to go on. I will always remember the day you and family joined us for that wonderful get together for good food, great company...you gave me a hug and kiss and said I was like one of your kiddo's.....Thank You, it meant so much to me....We love you and we will miss you dearly.... “ Zola was a member of the Waldron High School class of 61. She attended our class of 1961 reunion last year and we all had a good time talking about what we had accomplished since the good old days. May God bless and keep each of her family during their time of sorrow.
